Together, we make an impact on South LA. That’s why we—employees, contracted staff, consultants, vendors, and physicians—come together once a year to support our mission through our MLKCH Gives campaign.

YOUR GIFT MAKES A DIFFERENCE

For the last two years, our MLKCH family has contributed nearly \$100,000 to the hospital’s general fund, allowing the hospital to respond where the need is greatest, such as: providing discharge medication to our patients who are unable to afford it; investing in staff professional development opportunities; providing canes, walkers, car seats, and even clothing to patients in need.

YOUR GIFT INSPIRES OTHERS

Last year, nearly 30% of staff gave back to MLKCH. This high level of participation reinforced what a dedicated family we are, and inspired others to support this incredible place. When we request grants and gifts from outside sources, one of the things that has most impressed funders is the high percentage of employees who believe in our mission and contribute financially to the success of the hospital.

HOW TO MAKE A GIFT

Every person’s participation matters and you can make a gift of any size! Make a one-time gift by check or credit card, or give a little from each paycheck.
